Ken Martinez

Koko Ken Ken Martinez

In the early '80s, recovering from my divorce, I moved from Ketchum, Idaho, to Palo Alto, California, to live temporarily with my sister Martin and her family, the other Martins, until I found an apartment. My brother-in-law was and still is a pastor in the Nazarene church. Also attending the church were two college mates of mine and the Martins, Jan and Doug Burgesen and their two children (the two kids, Stevie and Cindy, not Doug and Jan) who could not pronounce "Uncle Ken" It came out "Koko Ken" Soon, very soon, I was known to the whole church (even to my niece Jennifer and my two nephews, Todd and Gabe) as Koko Ken, which gave me the title of this book. Because of a birth defect, spina bifida (the definition's in the book), I wasn't expected to live past six weeks. As of this writing, October 1, 2012, I'm six weeks shy of sixty-two years old. I've lived a very fortunate life. I've hiked up two volcanoes, Lassen and Diamond Head. I've ten speeded down Mt. Haleakala. I played Chopin's, King Faruk's, and Carnegie Hall's pianos. Read my book. It's funny. It's sad. It's me. I'm almost a George Plimpton.

From reader reviews:

Bernard Martin:

Nowadays reading books be a little more than want or need but also become a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge even the information inside the book that will improve your knowledge and information. The details you get based on what kind of e-book you read, if you want have more knowledge just go with education and learning books but if you want sense happy read one with theme for entertaining like comic or novel. The particular Koko Ken is kind of publication which is giving the reader unforeseen experience.

Juan Harrell:

Information is provisions for anyone to get better life, information today can get by anyone on everywhere. The information can be a information or any news even a huge concern. What people must be consider if those information which is from the former life are challenging be find than now could be taking seriously which one is acceptable to believe or which one the resource are convinced. If you receive the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take Koko Ken as the daily resource information.

Kevin Ortiz:

Spent a free time to be fun activity to perform! A lot of people spent their free time with their family, or all their friends. Usually they doing activity like watching television, going to beach, or picnic within the park. They actually doing same every week. Do you feel it? Do you wish to something different to fill your personal free time/ holiday? Could possibly be reading a book might be option to fill your totally free time/ holiday. The first thing that you will ask may be what kinds of e-book that you should read. If you want to try out look for book, may be the book untitled Koko Ken can be good book to read. May be it may be best activity to you.

David Wood:

Playing with family within a park, coming to see the coastal world or hanging out with pals is thing that usually you will have done when you have spare time, after that why you don't try point that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Koko Ken, you are able to enjoy both. It is fine combination right, you still would like to miss it? What kind of hang-out type is it? Oh come on its mind hangout people. What? Still don't have it, oh come on its referred to as reading friends.
