This is the SOFTCOVER version of the original Animal Desk Reference book. The "ADR" is written by Holistic Veterinarian Melissa Shelton - describing the many ways that Essential Oils are used for animals - especially pertaining to the French Model of Aromatherapy. Young Living Essential Oils and products are specifically described in this reference - making it very similar to the Essential Oils Desk Reference book for humans. Information for the use of essential oils is included for every species of animal - from fish and cats, to dogs, horses, and elephants. General techniques and methods are thoroughly described in this easy to read book. Discussions on safety and monitoring of animals during the use of essential oils are also covered.
