Ten terrifying tales of horror and all things weird, all set among the apparently peaceful, green surroundings of the Isle of Man. The discovery of Viking gold unlocks a terrible curse; weird creatures haunt a remote lighthouse; the kitchen of a successful restaurant conceals a vile secret; the vengeance of an ancient witch; cruel accidents befall those who criticise a pompous writer's works; a TT racer's encounter with the uncanny; obsession and depravity in the service of a demonic machine; the Black Goat of the Woods; an ancient evil that inhabits the marshes; the horror that lies buried beneath the surface of this beautiful Island. A decalog of dread.
