The Kingdom of the Air C.T. Wells

1940. The Battle of Britain has begun.

A young Messerschmitt pilot is shot down over Dartmoor. He tries to evade a manhunt, knowing that if he is captured by the British, his war will be over. But when Josef Schafer falls into the hands of a sinister agent of the Special Operations Executive, his troubles have only begun. He is returned to occupied France having made an impossible deal with the British.

As the air war escalates, Josef is in danger in the sky and on the ground. His allegiances are tested as he is torn between loyalty to his Luftwaffe comrades and a French woman whom he is compelled to serve.

The stakes are high. Whoever controls the sky above the English Channel will decide the fate of nations.
