Dave Pelz's Golf without Fear: How to Play the 10 Most Feared Shots in Golf with Confidence Dave Pelz

The renowned instructor behind elite pros such as Phil Mickelson and Vijay Singh shows you how to conquer the ten shots you fear the most.

Some golfers stand over shots with so much fear in their hearts that they can't bear to swing their clubs. Others, filled with anxiety, butcher shots they might otherwise hit reasonably well. After conducting worldwide surveys to determine which shots golfers fear the most, master golf instructor Dave Pelz has focused his skilled research and development on creating a methodology and conditioning process proven to teach golfers how to conquer their top 10 most feared shots. The first book to use the "Golfer's Eye View(tm)"-a technique developed for Pelz by "hall of fame" golf photographer Leonard Kamsler-*Dave Pelz's Golf without Fear* features Pelz's signature combination of science and savvy.

Coaching readers through their shots, Pelz offers a visual method of instruction, with close-up images of the problems that caused their fears, the solutions to those problems, and step-by-step instructions for how to execute those shots with confidence in the future. He retrains golfers to apply precise, clearly defined body positions and setups, in addition to specific techniques for the moment when contact with the ball occurs, making *Dave Pelz's Golf without Fear* a trove of score-saving lessons. With full-color photography throughout, this is a powerful course in making winners out of even your worst shots.
