**Introduction to Sociology (Seventh Edition)** Anthony Giddens, Mitchell Duneier, Richard P. Appelbaum, Deborah Carr

**The only textbook that helps students make micro-macro connections, *Introduction to Sociology* helps students uncover the surprising links between everyday life and global change.**

The Seventh Edition does not simply compare the United States to other countries, but shows students how global processes play out in their lives. Drawing on research from both macro and micro sociology, the author team shows how sociologists bring the two together to give a comprehensive picture of modern society.
