## **The Monk and the Riddle: The Art of Creating a Life While Making a Living** Randy Komisar

What would you be willing to do for the rest of your life...? It's a question most of us consider only hypothetically-opting instead to "do what we have to do" to earn a living. But in the critically acclaimed bestseller "The Monk and the Riddle", entrepreneurial sage Randy Komisar asks us to answer it for real. The book's timeless advice - to make work pay not just in cash, but in experience, satisfaction, and joy - will be embraced by anyone who wants success to come not just from what they do, but from who they are. At once a fictional tale of Komisar's encounters with a would-be entrepreneur and a personal account of how Komisar found meaning not in work's rewards but in work itself, the book illustrates what's wrong with the mainstream thinking that we should sacrifice our lives to make a living. Described by Fortune.com as "part personal essay, part fictional narrative and part meditation on the nature of work and life," "The Monk and the Riddle" is essential reading on the art of creating a life while making a living. 'Belongs in a category by itself...The best thing I've read all year' - "San Francisco Examiner". 'A timely book' - "USA Today". 'A self-help manual and business fable rolled into one' - "The Times, London".

Try to choose the best book for yourself and try to like reading in which.

#### **Donna Moore:**

As a student, I exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make a summary for some publication, they are complained. Just very little students that have reading's soul or real their hobby. They just do what the professor wants, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever you want. Likewise, word says, ways to reach Chinese's country. Therefore, this *The Monk and the Riddle: The Art of Creating a Life While Making a Living* can make you experience more interested to read.
