As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library as well as to make summary for some guide, they are complained. Just little students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important in your case.
