Remarkable!

Randy Ross, David Salyers

Remarkable! Randy Ross, David Salyers

Business as usual. It's conventional, operating within the established norms. It's predictable, delivering the expected. It's comfortable, maintaining the status quo. It's...safe. There are millions of organizations doing business as usual. But, business as usual will never be Remarkable!

Remarkable means notably or conspicuously unusual; extraordinary; worthy of notice or attention. The ideas explored in this book have come from a lifetime of observing some extraordinary people and organizations as they live out their conspicuously unusual ideas, producing uncommon results. The effect is that those who work for and those who benefit from these people and organizations find themselves with an irrepressible desire to "remark about them!" What is it that these folks know that others seemingly do not? How does their view of the world lead them to think and behave differently than others? When faced with the same opportunities and challenges, how are their choices different...and why?

Discover and apply the principles contained within these pages and you, too, could become Remarkable!

From reader reviews:

Cindy Grant:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the actual information inside the book this improve your knowledge and information. The details you get based on what kind of reserve you read, if you want send more knowledge just go with education and learning books but if you want experience happy read one with theme for entertaining including comic or novel. Often the Remarkable! is kind of publication which is giving the reader unpredictable experience.

Luis Martin:

Information is provisions for individuals to get better life, information currently can get by anyone from everywhere. The information can be a knowledge or any news even an issue. What people must be consider whenever those information which is in the former life are hard to be find than now's taking seriously which one is suitable to believe or which one often the resource are convinced. If you have the unstable resource then you buy it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take Remarkable! as the daily resource information.

Bobby Miller:

Many people spending their time by playing outside using friends, fun activity having family or just watching TV all day every day. You can have new activity to enjoy your whole day by reading a book. Ugh, ya think reading a book can actually hard because you have to accept the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Touch screen phone. Like Remarkable! which is having the e-book version. So , try out this book? Let's observe.

Jose Suh:

On this era which is the greater particular person or who has ability to do something more are more valuable than other. Do you want to become considered one of it? It is just simple approach to have that. What you have to do is just spending your time little but quite enough to experience a look at some books. On the list of books in the top collection in your reading list is definitely Remarkable!. This book which can be qualified as The Hungry Hillside can get you closer in turning out to be precious person. By looking right up and review this e-book you can get many advantages.
