Concepts of Chemical Dependency Harold E. Doweiko

This thoroughly revised and updated edition reflects the current explosion of information regarding the understanding, identification, and treatment of addictive disorders. Doweiko offers detailed coverage of the most commonly abused chemicals and their effects, covering a single facet of a drug or alcohol problem in each focused chapter. Doweiko covers topics frequently left out of other books, such as aerosols, steroids, and over-the-counter analgesics. In addition, you'll find in-depth coverage of such topics as the differences between abusers and addicts; drug effects on children, teenagers, and pregnant and nursing women; and children of alcoholics.
