## Masculinity

The imagery of Michael Stokes is so pithy and irresistibly sexy that his photos graced the covers of two of our anthologies: "Turnon: Sports" and "Turnon: Muscles". So it's about time to dedicate a whole photo book to his fabulous art. "Masculinity" sums up everything that makes Stokes' work special: strength, sex appeal and the perfection of the male body - staged in brilliant pictures that focus on the essential without denying the artist's eye for details. Michael Stokes certainly is a stunning talent to watch out for!
