Some secrets haunt you forever....

Genny Austin is tormented by nightmares of a past she can't recall. Jack Brennan's nightmares are real...his business is under siege, his life is being threatened. When they meet one evening on a Santa Barbara beach, Jack wants nothing more than a one-night stand, but Genny isn't that type. From a chance encounter, they are drawn into a world of passion and deadly riddles. Jamaica holds the answers...if they can find them--and live. "Kat Martin writes irresistible novels that blend the eerie and unexplainable, with her own sensual and exciting style." RT Book Reviews Magazine
