Gayraud S. Wilmore

Black Religion and Black Radicalism: An Interpretation of the Religious History of African Americans Gayraud S. Wilmore

Since its first publication 25 years ago *Black Religion and Black Radicalism* has established itself as the classic treatment of African American religious history. Wilmore shows to what extent the history of African Americans can be told in terms of religion, and to what extent this religious history has been inseparably bound to the struggle for freedom and justice. From the story of the slave rebellions and emancipation, to the rise of Black nationalism and the freedom struggles of recent times, up through the development of Black, womanist, and Afrocentric theologies, Wilmore offers an essential interpretation of African American religious history.
