Carta de batalla por Tirant lo Blanc (Spanish Edition)

Mario Vargas Llosa

Carta de batalla por Tirant lo Blanc (Spanish Edition) Mario Vargas Llosa

En este libro Mario Vargas Llosa nos descubre el poder de la palabra, la pasión sutil y abstracta de *Tirant lo Blanc*, considerada por él como una de las novelas más ambiciosas y modernas de entre las clásicas.

«Entre los muchos atributos del *Tirant lo Blanc* el que más admiro es su ambición. Esa voluntad decidida de recrearlo todo, de contarlo todo, desde lo más infinitamente pequeño hasta lo más desmesuradamente grande que la mirada, la imaginación y el deseo de los humanos pueda abarcar.»

Mario Vargas Llosa

Estos tres ensayos nacen de una ininterrumpida, apasionante y apasionada relación con *Tirant lo Blanc*. El primero aborda la idea de la novela total, anunciada quinientos años antes en este libro de caballerías: «Es la novela total. Novela de caballerías fantástica, histórica, social, erótica, psicológica: todas esas cosas a la vez y ninguna de ellas exclusivamente». El segundo ofrece una imagen más personal de Joan Martorell a través de sus cartas. El tercero defiende la importancia de «las palabras» en la obra.

Tres ensayos que nos acercan al crítico literario, de fino e inteligente análisis, al novelista que mira a otro novelista y se contempla en él, pero sobre todo es la apasionada entrega de un lector que se define como el «más fiel valedor» de este clásico de la literatura universal.
