Frank Giles

Napoleon Bonaparte: England's Prisoner Frank Giles

Focusing on Napoleon's last six years—from initial shipboard captivity with the Royal Navy to his death in exile on St. Helena in 1821—historian Frank Giles creates an authentic portrait of the fallen emperor. Napoleon labored to obfuscate his tyranny in France with a legend of him as the architect of a free Europe, while his jailer, Lord Lowe, has been reviled by contemporary critics and historians. In this new paperback edition, with eight pages of photographs, Giles presents a new and balanced view of Lowe and Napoleon, both condemned to a tiny Atlantic island for six years. “Will spark controversy about Napoleon’s life and death on St. Helena.”—History Today “What makes this study worth reading ... is the fascinating variety of contradictory opinions about Napoleon.”—Library Journal “A lively, readable account, and its revisionist view rings true.”—Kirkus Review “[A] judicious and well-researched contribution to this debate.”—Sunday Telegraph
