Have you ever wondered why ebook picture books are always so short? (You buy a book for \$2.99 and you only get 10 photos) Picture books are short because they are expensive to publish and sell. They cost publishers 3 times as much to sell as print only books.

As a picture book author it's always been my dream to create a huge picture book FULL of adorable cats. I'm lucky because my dream has come true. My publisher has allowed me to create this Epic ebook full of cute and adorable cats.

You're lucky too, because you could be the first of your friends to buy and own " The Biggest and most Expensive CAT picture ebook ever published." (or you could just read it for free using your unlimited KOLL account) It's your choice.

Many of the cats in these pictures are from cat rescues. There are links to these cat rescues at the end of this ebook. Please try to support these rescues as well as your local cat rescues.
