Regina Beswick was born to be a princess.

But she's content to be a small-town girl, running a classic auto restoration shop, unaware a secret destiny awaits her. One that will leap from the pages of her grandmother's hand-painted book of fairytales.

Tanner Burkhardt is the stoic Minister of Culture for the Grand Duchy of Hessenberg. When he is tasked to retrieve the long-lost princess, he must overcome his fear of failure in order to secure his nation's future—and his own.

Yet lurking in the political shadows is a fierce opponent with sinister plans to abolish the throne forever.

Overwhelmed with opposition, Regina must decide if she's destined to restore old cars or an ancient nation. Together—with a little divine intervention—Regina and Tanner discover the truth of her heritage and the healing power of true love.

"Hauck can be counted on for captivating, page-turning stories and sincere characters with heart."
