*Dark Shadows: Return to Collinwood* presents a look back at four decades of the successful spooky soap opera that made sympathetic vampire Barnabas Collins a pop culture phenomenon and prompted the big-budget, big-screen Warner Bros. revival starring longtime fan Johnny Depp, directed by Tim Burton, that premieres May 11, 2012. The large format book includes color photographs and behind-the-scenes anecdotes from Kathryn Leigh Scott and three other original cast members who filmed cameo roles with Johnny Depp, Helene Bonham-Carter and Michelle Pfeiffer in the new Gothic epic. With the ongoing fascination for all things vampiric, this book about the making of the new film and the history of the original series will be an enticing volume for new and old fans alike.

This book also features hundreds of exclusive photographs of *Dark Shadows* then and now, along with behind-the-scenes information, production materials and unique archival elements that provide context for the Depp/Burton Warner Bros. film.

The suspenseful Gothic tales of *Dark Shadows* center on the wealthy but tormented inhabitants of the mysterious Collinwood estate in the small fishing village of Collinsport, Maine, where the powerful Collins family has been haunted for generations by vengeful curses and other supernatural secrets that span the centuries.
