## Peter was never one for fairy tales or fate...

### **Peter:**

It's more than a relief to find a job just one month after graduating.  
And in a field that uses my major, no less!  
Still, could've done without the dragons.  
Especially Gabriel Karros, an old drake who won't leave me alone.  
Says I'm his "mate."  
Doesn't exactly help that he's a coworker, to boot.  
I keep trying to tell him that I'm not like him.  
That I'm not a dragon.  
But he just smiles and says that doesn't matter.

### **Gabriel:**

It's been six hundred years since I've met another dragon.  
Well, another with dragon blood, I should say.  
After all, the boy can't even fly.  
Says we can't be together because he isn't like me.  
Boy doesn't even know that he's a descendant.  
But that's all right.  
Perfectly fine.  
Because I'll show him.  
Be it through the hum of his blood or the drake I put in his belly.  
I'll prove to him that we're meant to be.  
As only two dragons can be.

Note: A Brace of Sapphires is a standalone MM story, with steamy love scenes, Mpreg and a HEA ending!
