Red is known for his high flying lifestyle; dating models and hanging with the rich and famous.

The powerful billionaire can have any woman he wants, and the naive college graduate can't imagine making much of an impression on her new CEO. But when Red Jameson takes notice of her and invites her up to his secluded office one day, everything changes.

As it turns out, the powerful businessman also has a voracious sexual appetite, and it's been whetted by none other than Nicole herself. And Red needs to be in charge at every turn.

Nicole isn't just any girl though, and Red Jameson's shocked to find that the young intern is more than a match for him in a battle of wits and will.
