A hidden princess and the boy who saves her life.... Hansel's father finds a child lost and alone during a violent thunderstorm. After bringing her in from the tempest, he and his son are startled to discover that she is Gretel, a princess of Larkein--the enemy kingdom their own king has just destroyed. Fearful for her life, Hansel pleads with his father to save her. He believes they can make Gretel good by teaching her their ways. His kindhearted father agrees, but with great trepidation. Ten years later, Gretel has grown into a lovely young woman who both infuriates and drives Hansel to distraction while he attempts to not lose his heart to her. When the Larkein witch comes back in the guise of a beautiful woman and marries their father, everything is set into a tailspin. Now they must figure out their new stepmother's plans and prevent her from destroying them all before it is too late.
