The Cold War: A Very Brief History Mark Black

Want to learn more about history, but don't think you have the time? Think again.

The Cold War is the term that was coined to describe the relationship between the USA and the USSR that began with the end of World War Two. The Cold War dominated international politics for decades; the presence of nuclear weapons in both countries meant that the US and USSR would never themselves go to war, but their conflict was played out through the actions of numerous client states. Incidents included the Cuban Missile Crisis, the Vietnam War, and the construction of the Berlin Wall.

The Very Brief History series is intended to give the reader a short, concise account of the most important events in world history. Each book provides the reader with the essential facts concerning a particular event or person; no distractions, just the essential facts, allowing the reader to master the subject in the shortest time possible.

With The Very Brief History series, anyone can become a history expert!
