Quick-and-Easy Learning Centers: Science (Grades 1-3) Lynne Kepler

Designed to offer non-specialist teachers a wide range of open-ended photocopiable activities for specified levels of ability, this book is part of the "Essentials" series which provides support for schemes of work being used in the school, either as part of structured maths sessions or as educationally sound time fillers. Each book contains a variety of games, open-ended investigations, puzzles, real-life problems and "drill and skills" materials designed to support the vital element of using mathematics as outlined in the National Curriculum. This book looks at shape and space in 2D.
