Sea Strike

James H. Cobb

Sea Strike James H. Cobb

James Cobb's first novel in the Amanda Garrett series, *Choosers of the Slain*, was acclaimed for its "breathtaking sea battles" and its achievement as "the rare military thriller whose message is gender-blind and leading edge" (*Publishers Weekly*). It was hailed as "first-rate military suspence" (*Kirkus Reviews*, starred review) and "a page-turner as hot as a Sea SLAM missile with target lock" (*Library Journal*) When Taiwan's Nationalist navy charges accross the East China Sea in attack formation, the People's Republic rushes battalions into the defensive lines along the coast and hurriedly prepares its Han nuclear subs for deployment. Commander Amanda Lee Garrett and the hypertech stealth destroyer USS Cunnungham are ordered to lead the dangerous sub hunt. Commander Garrett employs the Cunningham's full arsenal with swift and exacting precision. She corners a Han sub in heart-stopping, slow-speed chase that results in an accident miles below the surface, and in the harrowing finale, steers her five-hundred-foot destroyer up into a narrow, muddy Shanghai estuary in pursuit of a submarine only to find her exit blocked. Sea Strike - like the novels of Tom Clancy and Dale Brown - brims with exciting "heat-of-battle" action and authentic, state-of-the-art stealth technology. James H. Cobb is clearly a master of the military thriller.

From reader reviews:

George Falls:

Throughout other case, little individuals like to read book Sea Strike. You can choose the best book if you like reading a book. As long as we know about how is important the book Sea Strike. You can add knowhow and of course you can around the world by the book. Absolutely right, due to the fact from book you can know everything! From your country until eventually foreign or abroad you will be known. About simple point until wonderful thing you are able to know that. In this era, we are able to open a book or even searching by internet unit. It is called e-book. You should use it when you feel bored to go to the library. Let's read.

Martha Furman:

Reading a guide tends to be new life style on this era globalization. With studying you can get a lot of information that may give you benefit in your life. Along with book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their very own reader with their story as well as their experience. Not only the storyline that share in the publications. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on this planet always try to improve their expertise in writing, they also doing some study before they write on their book. One of them is this Sea Strike.

Michelle Pacheco:

The book Sea Strike has a lot info on it. So when you make sure to read this book you can get a lot of advantage. The book was compiled by the very famous author. Mcdougal makes some research ahead of write this book. This particular book very easy to read you can find the point easily after scanning this book.

Margaret Bonner:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Sea Strike can make you sense more interested to read.
