## **Dead on Ice (Lovers in Crime Mystery Book 1) Lauren Carr**

Dead on Ice is the first installment of Lauren Carr's new series (Lovers in Crime) featuring Hancock County Prosecuting Attorney Joshua Thornton and Pennsylvania State Police homicide detective Cameron Gates.

Spunky Cameron Gates is tasked with solving the murder of Cherry Pickens, a legendary star of pornographic films, whose body turns up in an abandoned freezer. The case has a personal connection to her lover, Joshua Thornton, because the freezer was located in his cousin's basement. It doesn't take long for their investigation to reveal that the risqué star's roots were buried in their rural Ohio Valley community, something that Cherry had kept off her show business bio. She should have kept her hometown off her road map, too—because when this starlet came running home from the mob, it proved to be a fatal homecoming.
