The Sea and the Sand Christopher Nicole
The Caribbean, 1800.

The spirit of Harry McGann lives on in his son Toby. Protecting Yankee shores from rogue French ships, he's seen more action in his nineteen years than his father ever saw in a lifetime.

But his destiny is set to diverge from his father's in more ways than one. A chance meeting with the beautiful Felicity Crown, daughter of British navy-Captain, sets him on a path of reuniting the family with his father's old foe.

Times have changed, however, and a new threat to American interests stalks the seas. Barbary pirates operating out of Tripoli have cast their net wide over the Mediterranean, disrupting trade, plundering merchant ships and placing men and women into captivity.

When Felicity's ship is over-run and Felicity herself sold off to harems across North Africa, the war with these pirates becomes deeply personal for Toby. He believes Felicity is alive and he is prepared to cross the sea and the sand to find her.

But Felicity's cruel masters will not relinquish her without a fight.

The Sea and the Sand is the epic sequel in the McGann saga.

William Quesada:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Sea and the Sand can make you truly feel more interested to read.
