Rally Cry (The Lost Regiment Series Book 1) William R. Forstchen

Boarding a transport ship after the Battle of Gettysburg, Colonel Andrew Keane and his 35th Maine regiment are swept into an alternate world. The first human civilization they encounter on this planet resembles medieval Russia, with boyars and priests ruling over the peasants and townspeople. Soon Keane and his regiment learn this world's terrible secret: that cannibalistic hordes of large, fierce Tugars circle the planet and demand tribute – including humans to be devoured – and the hordes will be arriving sooner than expected, with several hundred thousand warriors on horseback.

Using all their 19th century know-how, Keane and his men build a new society, with railroads, ironworks etc. and with skill, cooperation and courage, the regiment and most of the Russians work together in hopes of defeating the horde. A great story of survival and bravery in the face of overwhelming odds. First novel in the acclaimed “Lost Regiment” series by the author of ONE SECOND AFTER, ONE YEAR AFTER and “Day of Wrath”.

on the LOST REGIMENT series:

- Dr. Dennis Showalter, Past President of the Society for Military History, author of TANNENBERG: CLASH OF EMPIRES

re: ONE SECOND AFTER

"A riveting, cautionary tale."

"... a gripping author. Plot, characters and all the rest of the writing stew are well executed."

- The Washington Times

"The only thing more terrifying than this masterfully crafted story is the possibility of it actually happening—and not a damn thing being done to protect us."
