## **A Fallen Lady** Elizabeth Kingston

Six years ago, to the outrage of her family and the delight of London gossips, Lady Helen Dehaven refused to marry the man to whom she was betrothed. Even more shockingly, her refusal came on the heels of her scandalous behavior: she and her betrothed were caught in a most compromising position. Leaving her reputation in tatters and her motivations a mystery, Helen withdrew to a simple life in a little village among friends, where her secrets remained hers alone.

For reasons of his own, Stephen Hampton, Lord Summerdale, is determined to learn the truth behind the tangled tale of Helen's ruin. There is nothing he abhors so much as scandal - nothing he prizes so well as discretion - and so he is shocked to find, when he tracks Helen down, that he cannot but admire her. Against all expectations, he finds himself forgiving her scandalous history in favor of only being near her.

But the bitter past will not relinquish Helen's heart so easily. How can she trust a man so steeped in the culture of high society, who conceals so much? And how can he, so devoted to the appearance of propriety, ever love a fallen lady?
