## **My Intellectual Awakening (Arabic Edition)** Dr Raymond N Shekoury

“My Intellectual Awakening” is a book in Arabic. The intended audience of the book are open minded people who are eager to learn. This book consists of three independent parts. The first part essentially is an autobiographical sketch of the author`s upbringing from childhood to college graduate focusing mainly on the development of his religious views. The second part of the book is a collection of twenty one independent essays written in objective and academic manner. They reflect the views of the author in the fields of atheism, morality, contradictions in Holy Books, linguistic twisting of religious texts, religion fuels hatred among people, wars and atrocities caused by religion, status of women in monotheistic religions, resistance of religion to developing science, reflections about life and death, Jesus Christ and christianity, to be or not to be a christian, Christ as a role-model to follow, John`s Gospel version of Christ raising Lazar from the dead, Muhammed the prophet, The Quran, Christians during Islamic conquests. The third part of the book focuses mainly on exposing fallacies in well known arguments for the existence of God. These include arguments, from cosmology, ontology, design, big bang theory, irreducible complexity, gaps in scientific knowledge, the fine tuning constants of Nature, miracles, the answering of prayers, morality, and Pascal wager.
