For Single Ladies Only: Everything You Need to Know to Date Smarter Shanae Hall

Filled with 30 tips that will cover any and every dating situation in which a single woman could possibly find herself, this snappy dating guide dares to go where no female author has ever gone before. CBS Radio personality and former NFL wife Shanae Hall calls upon her experience, wisdom, media prowess, and spot-on dating instincts to explore every aspect of dating, from dating as a single mother to dating a married man. Hall explores the things that most women do that drive men crazy (in a bad way!), demonstrates how a mother can protect her kids from heartache while she's searching for Mr. Right, and outlines the dating playbook, so any woman can master the game. She also unveils must-have sex techniques and even explores the stigma surrounding African American women and oral sex. But perhaps most importantly, Hall teaches women how to respect themselves so that their men will respect them more. Her lesson is built upon the dual philosophy of learning from one's mistakes and living in reality.
