Simon Templar is the Saint?daring, dazzling, and just a little disreputable. On the side of the law, but standing outside it, he dispenses his own brand of justice one criminal at a time.

The Saint and Patricia go to visit some friends in Miami?but when they get there they are shocked to learn their friends have disappeared. They move into their friends' house and start to investigate. Things get complicated when a tanker explodes off the Florida coast and a dead British sailor washes up on the shore. Simon suspects a link between the explosion and the disappearance, as well as the activities of shady millionaire Randolph March. There seems to be a Nazi spy ring operating out of Florida....
