Elfs: A Guide to the Aldryami (Glorantha: The Second Age) Shannon Appelcline

Elfs: A Guide to the Aldryami is the newest book in Mongoose's series of RuneQuest race books, each describing one of the Elder Races of Glorantha. Like Trolls: A Guide to the Uz, Elfs gives players everything necessary to create PC elfs, including 14 cultural backgrounds--spanning all the types of elfs from the common Mreli to the rare Murthoi - and 6 elf professions. Over 20 new elf cults and 20 new divine spells fill out what every player needs to know to play this private race of forest-dwellers. Elfs: A Guide to the Aldryami is also a background guide to the secrets of the elfs, containing discussions of the biology, culture, and history, as well as in-depth descriptions of a handful of elf enclaves in the Age of Empires.
