Taking Sides volumes present current controversial issues in a debate-style format designed to stimulate student interest and develop critical thinking skills. Each issue is thoughtfully framed with *Learning Outcomes*, an *Issue Summary*, an *Introduction*, and an *Exploring the Issue* section featuring *Critical Thinking and Reflection*, *Is There Common Ground?*, and *Additional Resources*. **Taking Sides** readers also offer a *Topic Guide* and an annotated listing of *Internet References* for further consideration of the issues. An online **Instructor's Resource Guide** with testing material is available for each volume. *Using Taking Sides in the Classroom* is also an excellent instructor resource. Lamar Santiago:

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Taking Sides: Clashing Views on Bioethical Issues, 15/e can make you truly feel more interested to read.
