Bending the Iron Libby Drew

Michael feels trapped. In his conservative, poor hometown where he has to keep his sexuality hidden. In his dead-end job. In caring for his alcoholic grandfather. Everything changes when he meets Eric, the new curator for the railroad museum. His curiosity about the passionate man quickly gives way to an intense attraction - one that Eric happily returns.

Carefree and refreshingly confident, Eric guides Michael to places he's forgotten, reminding him that it may not be too late to follow his dreams for something more in life. But the truth is, Eric knows exactly how it feels to be stuck in a bad situation. A failed relationship has left him with personal demons that may hurt his connection with Michael.

To give their future a chance, they both must fight being trapped in the past.

From reader reviews:

Rene Defeo:

The book Bending the Iron gives you the sense of being enjoy for your spare time. You can use to make your capable a lot more increase. Book can to be your best friend when you getting pressure or having big problem together with your subject. If you can make examining a book Bending the Iron being your habit, you can get far more advantages, like add your own personal capable, increase your knowledge about a few or all subjects. It is possible to know everything if you like start and read a reserve Bending the Iron. Kinds of book are a lot of. It means that, science e-book or encyclopedia or some others. So , how do you think about this guide?

Theresa Smith:

Playing with family in the park, coming to see the coastal world or hanging out with close friends is thing that usually you have done when you have spare time, then why you don't try factor that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love Bending the Iron, you could enjoy both. It is very good combination right, you still want to miss it? What kind of hang type is it? Oh can happen its mind hangout fellas. What? Still don't have it, oh come on its identified as reading friends.

Adam Cohn:

In this period of time globalization it is important to someone to get information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of personal references to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher this print many kinds of book. Often the book that recommended to you is Bending the Iron this reserve consist a lot of the information from the condition of this world now. This book was represented just how can the world has grown up. The terminology styles that writer require to explain it is easy to understand. The particular writer made some study when he makes this book. That's why this book suited all of you.

Darren Perez:

What is your hobby? Have you heard which question when you got students? We believe that that query was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person like reading or as examining become their hobby. You have to know that reading is very important and book as to be the thing. Book is important thing to increase you knowledge, except your current teacher or lecturer. You discover good news or update concerning something by book. Many kinds of books that can you decide to try be your object. One of them is actually Bending the Iron.
