Claudia Mitchell is the safety net for the Dangerous Protectors. Whatever a Protector needs, Claudia taps a few keys and makes it happen. When she receives a desperate call from her sister, Claudia can't use cyberspace to save her... for this one, Claudia has to be there in person.

Nate Jennings showed the world what being a hero looked like despite being in prison. His heroism earned him a place on the Guardian Agency team. For months now he's had a major fantasy about his tech assistant, Claudia. When she disappears and he is the one tasked to find and protect her, has his fantasy come true?

When there is no one else to turn to and no one else to keep you safe, a Dangerous Protector is the man you want for the job.
