8. Bestselling Fiction

The Mysterious Island (French: L'Île mystérieuse) is a novel by Jules Verne, published in 1874. The original edition, published by Hetzel, contains a number of illustrations by Jules Férat. The novel is a crossover sequel to Verne's famous *Twenty Thousand Leagues Under the Sea* and *In Search of the Castaways*, though its themes are vastly different from those books. An early draft of the novel, initially rejected by Verne's publisher and wholly reconceived before publication, was titled *Shipwrecked Family: Marooned With Uncle Robinson*, seen as indicating the influence on the novel of *Robinson Crusoe* and *The Swiss Family Robinson*. Verne developed a similar theme in his later novel, *Godfrey Morgan* (French: *L'École des Robinsons*, 1882).
