Tony Bennett, Robert Sullivan

Tony Bennett in the Studio: A Life of Art & Music Tony Bennett, Robert Sullivan

Every one of Tony's millions of devoted fans will treasure this definitive volume.

Tony Bennett, the world's most beloved living legend, has a talent that's simply timeless. He's the smooth and subtle singer of the classic American songbook, the recipient of countless Grammy® awards and nominations, an Emmy Award®, and a Kennedy Center Honoree. The Library of Congress bestowed a Living Legend Award on him in 2000, the National Endowment for the Arts named him a Jazz Master in January of 2006, and he just received Billboard magazine's prestigious Century Award for his outstanding contributions to music. Contemporary singers such as Bono, Sting, Diana Krall, John Legend, and the Dixie Chicks idolize him. Recently, Bennett turned 80 and he has celebrated this milestone with the same joie de vivre with which he celebrates life in general; he's at the height of his popularity, thanks to the bestselling album *Duets* and a brilliantly conceived TV special directed by Rob Marshall, director of the Academy Award®-winning *Chicago*. When performing as Tony Bennett, he connects to people everywhere through the magic of his music. What many of his admirers may not know, however, is that Bennett, under the name of Anthony Benedetto, is also a successful painter whose works hang in major museums and galleries, including the Smithsonian.

In this beautiful new book, richly illustrated with his own artwork, Tony takes the time to reflect on his career, and the inspiration that continues to infuse both his music and his art. Along with journalist Robert Sullivan, he explores recurring themes in his life, including jazz, individualism, the creative zone, love, truth and beauty, chiaroscuro (the balance of light and shadow, both in painting and life), and the lifelong adventure that has taken him around the world and back again. His own personal memorabilia will be on display, along with album covers and notes. And for everyone who loves Bennett's gorgeous voice and elegant song stylings: an exclusive CD featuring his favorite tunes, including some rare choices.

Robert Oshea:

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Tony Bennett in the Studio: A Life of Art & Music can make you truly feel more interested to read.
