Their torrid affair took a shocking turn when one night Barbara was found dead at the shop, a bullet through her skull. Did Michael kill his wife so that he could collect her life insurance policy...and run off with Renee? With no weapon or witnesses, the police weren't able to arrest Michael...until, eighteen years later, a new district attorney reopened the case and found overlooked evidence that placed him at the scene of the crime. Michael was finally arrested. But after a jury found him guilty of murder, the judge overturned his case. Why? As Michael awaits a second trial, many are left to wonder if justice will ever be served for the woman who is "DEAD BUT NOT FORGOTTEN."
