How Much is Enough?

Arthur Simon

How Much is Enough? Arthur Simon

In a world filled with both prosperity and poverty, how can Christians handle their finances in a way that honors God? In *How Much Is Enough?*, Arthur Simon takes an uncompromising look at America's wealth, reflecting what dominates the hearts and motivations of its people. He diagnoses Western civilization as sick with "affluenza," or runaway materialism, and shows readers how to reject the disease and set new priorities. Churches, social ministry groups, and thoughtful readers will be enlightened by Simon's grasp of Western affluence against the backdrop of a world where 800 million people are chronically starving. Readers will gain a clearer understanding of how money becomes an object of worship when passion for material things is stronger than compassion for the poor. Simon's life-changing book also reveals how affluenza takes control of people's lives and goals.

Without discounting prosperity as a blessing, *How Much Is Enough?* proposes new pathways to living as disciples of Jesus. It suggests a myriad of solutions for taming materialism and sheds light on the profound reality that possessions may capture our hearts, but they are unable to nourish our souls.
