## **X IT** Zarug Thane

In 1979, in the town of Vermilion, Illinois, a monster is on the loose. Tearing its way through the community, the creature leaves behind dismembered corpses and messages written in blood upon the walls.

- IT Came From Behind.
- IT hurts us.
- IT will never stop.

With the police determined to find a rational explanation for the carnage, putting an end to the horror falls to a small group of misfits with little in common except an unduly amorous disposition.

An X-rated horror story.
