This book provides a comprehensive overview of the German corporate governance model to English speaking readers. It provides an introduction to the unique features of German Business and Enterprise Law. The book deals with the most important company organs, namely the General Meeting, the Management Board and the Supervisory Board. It also covers the unique interplay among these organs and details the particular dynamics of the German two-tier board structure. It gives insight into Accounting as the Documentary Proof of Good Corporate Governance. In addition, coverage examines the dominant role of the German banks and new players in the German financial markets.
