**L'arte di credere [The Art of Believing]: L'azione scientifica della preghiera [The Scientific Action of Prayer]** Neville Goddard

La preghiera, cioè l'arte di credere ciò che è negato dai sensi, è il fondamentale strumento per realizzare concretamente ciò che si desidera. Con questo scritto, Neville Goddard ci rivela come e perché l'azione di credere e pregare crea concretamente ciò che si chiede. Grazie alla fede, alla visualizzazione e all'autosuggestione, ogni uomo può entrare in dialogo con la parte subconscia, il Dio dentro di lui, capace di vivere come già esistente un desiderio. Solo così potrà vederlo realizzato. Come già in "Cambiare il futuro", la fede e l'immaginazione sono, per Neville Goddard, i fattori per operare un cambiamento, per portare nel reale l'azione dell'immaginazione.
