## **Transgender: The Transgender Mirror Effect**

**In a world that suffers from intolerance and discrimination, every bit of information about transgender is valuable both for transgenders themselves, their family and friends and the general public.**

Transgender is a reality that is slowly but surely being understood. Out of the many biological and psychological theories that attempt to explain it, the mirror effect provides one of the best clues on its final understanding. Through this effect and the other theories available, misconceptions can be debunked, errors can be corrected and most importantly true understanding can be achieved.

The term transgender may be relatively young but the dysphoria may have existed since ancient times. Only in the more recent years has transgender been identified, studied and most importantly labeled. Words are powerful and they create an anchor in which transgenders can either define or refuse to define themselves.

### **By reading The Transgender Mirror Effect, you will learn:**

- Transgender Identities & Behavior
- Terminology
- Difference Between Gender & Sexuality
- Gender Identity Development & The Disorder
- What Is The Mirror Effect
- Transitioning
- FAQs
- Much, much more!

Transgenders fight an uphill battle in a world that may not yet be fully ready for their acceptance. However, with information available, like in this book, the battle may prove to be victorious both for those who are transgenders, through acceptance and those who are not, through understanding.
