Wilde Jonathan Fryer

WELL OVER A CENTURY AFTER THE DEATH OF OSCAR WILDE, HE IS HAILED AS ONE OF THE GREATEST WRITERS OF COMEDY IN THE ENGLISH LANGUAGE, A BRAVE REBEL AGAINST CONFORMITY AND A GAY ICON.

In many ways, Wilde was a man born before his time, championing modern attitudes to personal behaviour and freedom long before these became the norm.

Though he died young, partly as a result of his cruel imprisonment, he lived life to the full, but contact with his wife and beloved children was sacrificed along the way.

This book succinctly captures many aspects of Wilde's complex and sometimes contradictory personality, and sets the drama of his destructive relationship with Lord Alfred 'Bosie' Douglas in the context of the oppressive climate of Late Victorian England.

Richly illustrated with pertinent quotations as well as photographs and drawings, it is a perfect introduction to Wilde and his world.

From reader reviews:

Daniel Butler:

With other case, little people like to read book Wilde. You can choose the best book if you want reading a book. Given that we know about how is important some sort of book Wilde. You can add information and of course you can around the world with a book. Absolutely right, since from book you can understand everything! From your country right up until foreign or abroad you will be known. About simple matter until wonderful thing you could know that. In this era, we can open a book or searching by internet product. It is called e-book. You can use it when you feel uninterested to go to the library. Let's learn.

Sharron Marty:

This Wilde book is not ordinary book, you have it then the world is in your hands. The benefit you obtain by reading this book is information inside this guide incredible fresh, you will get facts which is getting deeper an individual read a lot of information you will get. This Wilde without we understand teach the one who reading through it become critical in imagining and analyzing. Don't be worry Wilde can bring once you are and not make your handbag space or bookshelves' come to be full because you can have it within your lovely laptop even mobile phone. This Wilde having very good arrangement in word in addition to layout, so you will not really feel uninterested in reading.

Duane Coley:

People live in this new day time of lifestyle always attempt to and must have the extra time or they will get wide range of stress from both daily life and work. So , when we ask do people have time, we will say absolutely indeed. People is human not only a robot. Then we inquire again, what kind of activity are you experiencing when the spare time coming to an individual of course your answer will probably unlimited right. Then ever try this one, reading textbooks. It can be your alternative inside spending your spare time, the book you have read is actually Wilde.

Paul Queen:

Is it an individual who having spare time after that spend it whole day by means of watching television programs or just lying on the bed? Do you need something totally new? This Wilde can be the solution, oh how comes? It's a book you know. You are therefore out of date, spending your extra time by reading in this brand-new era is common not a geek activity. So what these books have than the others?
