“You see I’ve found out Miss Clark loves being spanked.”

Hailey is mortified when one of her new bosses reveals he knows her secret. She’s accustomed to being spanked and demonstrating her oral skills whenever she makes a mistake.

Half hoping the handsome Dr. Bell will continue the tradition, she finds that mistakes will no longer be treated so lightly. It’s not a spanking he offers her. No sir. It’s the chance to try out his new toy, a f...ing rod. And worse his colleagues are invited to observe the demonstration and then continue the punishment.

Will Hailey submit to the pain, humiliation, pleasure and ecstasy of his new toy or will she do what any sensible girl would do and look for a new job?
