Two women, polar opposites, discover the daunting truth about one formidable man, jeopardizing their very existence. This ruthless tyrant wants to eliminate these all-knowing women with his psychopathic vindictiveness. Sometimes the truth doesn't set you free. Susan and Candice are on the run.

Candice, incognito, now occupies the penthouse suite as the in-house call girl at Manhattan's swankiest hotel. She isn't necessarily proud of her career choice, but she does take great pride and rises to the top of her profession paying more attention to the psychological longings of her clients. After all, sex is so much more than just sex. Even though she has powerful men at her fingertips, Candice still glances over her shoulder.

Susan, once a wealthy Atlanta socialite, snaps out of her charm school coma realizing the last twenty-three years played like a sinister joke all at her expense. She spends ten minutes under the sink with a bottle of Miss Clairol 33 Red and then takes off for Manhattan without the silver spoon. Susan has one goal. Stay anonymous. VIRTUE is a testament of survival and to women putting the "hell" back into "hath no fury."
