Aiyana is a princess with a darkness inside her that won't remain silent for much longer. Her dreams are filled with blood and death, her waking hours plagued by phantom cries for blood that seem to come from the earth itself. Fearing that she's becoming a danger to her people, Aiyana determines to risk a bargain with a fairy to get rid of the frightening power inside her. If she can find the fairy. If she can get past the god she meets in the woods. If there wasn't something about him that felt so...familiar.

Saamal is a god reduced, a deity who's gone from being all-powerful to being forced to watch his land die. His only chance to save his kingdom is a marriage bond with the princess prophesied to return him to glory. The only obstacle? The princess has been cursed, trapped in a death-like state. When he is given a way to communicate with her, he has hope for the first time in decades. Unfortunately, the princess is horrified by his very nature and the future she envisions if she believes what he claims. The once all-powerful god must now do something he's never had to do before...ask.

When your real world is the Dream World, it's difficult to know who's telling the truth and who's lying. A princess under a curse. A god stripped of half his power. The longer the land goes without the power it needs, the more it will take to awaken the kingdom's...Beautiful Salvation.
