Harnessed to the Pole: Sledge Dogs in Service to American Explorers of the Arctic 1853-1909 Sheila Nickerson

In the second half of the nineteenth century, an epic race was underway in some of the most brutal stretches on the planet. Explorers from around the world hoped to stake their claim on the Arctic, with the North Pole being the ultimate prize. Those with the greatest success found that the fastest way to travel was on four legs—using a team of hardworking sledge dogs.

Harnessed to the Pole follows the adventures of eight American explorers and their dog teams, starting with Elisha Kent Kane and ending with Robert Peary, controversial claimant of the title of first to reach the North Pole. While history has long forgotten these “little camels of the north,” Sheila Nickerson reveals how critical dogs were to the Arctic conquest. Besides providing transportation in extreme conditions, sledge dogs protected against wolves and polar bears, helped in hunting, found their way through storms, and provided warmth in extreme cold. They also faced rough handling, starvation, and the possibility of being left behind as expeditions plunged ahead. *Harnessed to the Pole* is an extraordinary—and unflinching—look at the dogs that raced to the top of the world.

If you want to buy the e-book, you can available their official web-site along with order it. Have a nice go through.

Lorna Dews:

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's internal or real their pastime. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we would like.

Likewise word says, ways to reach Chinese's country. Therefore , this Harnessed to the Pole: Sledge Dogs in Service to American Explorers of the Arctic 1853-1909 can make you experience more interested to read.
