Historical Dictionary of Croatia (Historical Dictionaries of Europe)

Robert Stallaerts

Historical Dictionary of Croatia (Historical Dictionaries of Europe) Robert Stallaerts

Croatia, a former republic of Yugoslavia, has been a self-declared independent state since July 25, 1991. To its own people, however, it is a much older country that is finally getting another chance to forge a nation. The Croats trace their roots back many centuries, and the depth of this resurgent nationalism helps explain why Yugoslavia split as it did and where it did. As Croatia and its people try to make a success of their new state, they can take hope in the notable progress that has already been made in regards to its economic restructuring, democratization, and a rapprochement with their neighbors and Europe more broadly.

The third edition of the *Historical Dictionary of Croatia* relates the history of this country through a detailed chronology, an introduction, a bibliography, and cross-referenced dictionary entries on significant persons, places, and events; institutions and organizations; and political, economic, social, cultural, and religious facets.
