Pinocchio

Michael Morpurgo

Pinocchio Michael Morpurgo

The perfect gift for all ages, Pinocchio as you've never seen him before: telling his own story through the master storyteller and award-winning author of WAR HORSE.

“Now – there’s no point in pretending here – I was, and still am deep down, a puppet. Everyone knows Pinocchio is a puppet. I reckon I must be just about the most famous puppet the world has ever known. But the truth is I’m not just a puppet, I’m more than just bits of wood and string. I’m me. So I thought it was about time that I, Pinocchio, told you my story...”

So begins this stunningly beautiful interpretation of the classic story. Michael Morpurgo channels Pinocchio’s words to tell the famous puppet’s story in his own inimitable, cheeky and always funny way.

Lavishly illustrated throughout in full colour by the acclaimed Emma Chichester Clark, this is a must-have gift for all book lovers, and an utterly charming and surprising adaptation of a much-loved tale.

From reader reviews:

Hubert Ray:

What do you think about book? It is just for students as they are still students or that for all people in the world, what best subject for that? Just you can be answered for that problem above. Every person has several personality and hobby for every single other. Don't to be pushed someone or something that they don't wish do that. You must know how great and also important the book Pinocchio. All type of book are you able to see on many solutions. You can look for the internet options or other social media.

Michael Parker:

What do you with regards to book? It is not important together with you? Or just adding material if you want something to explain what your own problem? How about your time? Or are you busy individual? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have extra time? What did you do? Every person has many questions above. They need to answer that question since just their can do that. It said that about guide. Book is familiar in each person. Yes, it is right. Because start from on jardín de infancia until university need this specific Pinocchio to read.

Virginia Doak:

People live in this new day time of lifestyle always make an effort to and must have the extra time or they will get great deal of stress from both everyday life and work. So , once we ask do people have free time, we will say absolutely yes. People is human not a robot. Then we ask again, what kind of activity are there when the spare time coming to a person of course your answer will probably unlimited right. Then do you try this one, reading ebooks. It can be your alternative inside spending your spare time, the actual book you have read is definitely Pinocchio.

Jack Lacasse:

What is your hobby? Have you heard this question when you got scholars? We believe that that problem was given by teacher on their students. Many kinds of hobby, Every individual has different hobby. And also you know that little person including reading or as reading become their hobby. You need to understand that reading is very important in addition to book as to be the point. Book is important thing to add you knowledge, except your own teacher or lecturer. You will find good news or update with regards to something by book. Amount types of books that can you go onto be your object. One of them are these claims Pinocchio.
